

The Twenty-Fifth **CONVENTION** of **ALPHA CHI RHO**

Read what's going to be pulled off!

The Biggest, Brightest, Gayest, Round of Festivities ever crowded into three days. Not a tiresome moment. We've even persuaded Henry Staunton not to make a speech!

Here come the stunts!

The Usual Smoker With Unusual Trimmings

Every man with his name and chapter pinned *on his back*—so you can have a look and then walk around and act as if you remembered him. Plenty to smoke—plenty to eat—plenty to delight the ear and the eye. But no TOUCH. Everything FREE. Music. Vaudeville. Jazz Bands. Quartettes. And a Grand Song Contest. Chapter singing the best college glee to be given a cup. Don't let the "Ellums of Are 'Ole Trin-eye-tee" carry it off. Bring your best warblers. Thursday night at the Bellevue.

A Play and Dance

A real theatrical performance put on by the Phi-Phi Graduates in a regular theatre. Oh Boy! And a dance afterwards. Of course the ladies will come too. Let them show how prosperous you are. Bring along the ropes of pearls, the diamond sunburst and the new crepe de chine. Friday Night at the New Century Theatre.

A Tea Dansant

A Regular Dance—more dancing than tea. Another golden opportunity to display the feminine side of your nature. This dance will be held at the Bellevue on Saturday afternoon. Music by the best and jazziest of Philadelphia Orchestras. If you haven't a wife to bring you will find plenty of girls. Philadelphia is full of them.

Wonderful One-Speech Banquet and Dress Suit Display

At the Bellevue on Saturday Night. The usual Bellevue Eats and other attractions. No set speeches. Just a good time. Music. Vaudeville. Moving Pictures just released by Ken Webb. Never before shown. Balopecton display. And thousands of other things too numerous to mention. Besides we want to have a few surprises.

The Magazine

A twenty page magazine "The Punko" beautifully illustrated and containing cartoons, photographs and funny stuff. You can read it without glasses. A real souvenir to take home.

For the Fair Alphachireens

Nothing will be spared to make their visit to Philadelphia one grand, glorious affair. Friday shopping hours and sight seeing. Friday night the Play and Dance. Saturday morning more shopping and more sight seeing. Saturday afternoon the Tea Dansant. Saturday evening a Theatre Party. Bring her along, now, she deserves it. And besides, you'll have a better time.

Accommodations

One hundred rooms have been reserved at the Bellevue—but there are lots of other hotels. And besides, the Philadelphia Brothers are going to take care of the hundreds of visitors and their wives in their own homes. Don't let the thought of a hotel bill stand in your way. That's the easiest thing in the world to fix. Just let us know all about it in time.

Odds and Ends

Get busy now and send in your acceptance for yourself and friend wife. And of course send your check. The cost of conventions has not decreased and well—you know how it is yourself. A contribution would be appreciated, too.

What this card is for.

Fill this card in N O W. It will not cost you a cent. If you are not coming to Convention, just write a line on it saying "Hello, or conveying a message—to your Chapter, or to the Convention, or to some old pal, who, you know, will be there, or your Graduate Secretary. We'll print a line in the Convention magazine to say we've heard from you, so your friends will know you did not perish of the flu.

If you're coming to Convention—ah, then, fill in everything, enclose some cash and charge it to Investment, not to Expense. Righto—Let's go.

A Message from the President of the Fraternity

There is one reason which (although the Convention Committee will not admit it) in itself would ensure the success of the Convention—the fact that this 1923 Committee is largely the same one which put over the Convention at the Waldorf two years ago. But I have seen the program and I know there are many other good reasons. The Committee, in fact, has built to a great extent upon its invaluable foundation of experience. Don't miss this Convention.

Edward C. Bailey

President of the Fraternity.

Never in 27 Years, a Convention Like This!

Just a Few of the New and "Different" Features: *The Expedited Business Sessions.*

The reports will be reduced to lowest terms. Committees will get many matters in clean-cut shape for ready decision.

The Livewire Mixers' Committee.

"The Friendly Convention" in fact as in name. You can't help knowing everyone else, and vice versa. The Committee will surprise you by the scope and results of its activities.

The Radically Different Smoker.

The success of this opening party will depend so largely upon the really "inspired" (if we do say so) surprises, that we shall not divulge them in advance.

The Glee Club Concert and Dance.

Something different. You'll enjoy it—so will she. If you think you are past the age of romance, or it has passed you, come to the Convention Glee Club Concert and Dance to try the well waxed floor of the Plaza Grand Ball Room.

Tea Dance.

In the Plaza Grand Ball Room. Tickets sold only in combination with Banquet Tickets.

The "Speechless," Pepful Banquet.

Instead of formal "speeches" there will be the briefest, breeziest talks (5 minutes per each), with a crowded program of brand-new stunts that will entertain you as never before. Don't miss it.

Special Reduced Rates on Railroads.

Buy a one-way to New York and get a receipt from your local ticket agent. The Committee will do the rest but don't forget the receipt and help others save money too.

Never in all the twenty-seven years of Alpha Chi Rho's history, have we staged a Convention like the one that will be held at the Hotel Plaza, February 22-23-24.

Never before have we arranged for so many new, different, and better features—never before so many refinements in detail that will make for comfort, convenience and enjoyment from start to finish.

And Now for Some Auto-Suggestion:

Repeat to yourself, over and over:
"Day by day, in every way, I want to
be at the Friendly Convention." Then
tell yourself that

You Are Going This Year— Because:

—Because this year we are making a special drive to bring out the men who have not been in the habit of attending Conventions regularly. You know many of these men—haven't seen them for years—you want to see them—if they see you they will be glad they finally got to Convention again—

—Because you are going to make some wonderful, life-long friendships on February 22-23-24. And if you are an ambitious business or professional man or are just entering business, and want to meet some leaders in your field, the Mixers' Committee is making a special effort to bring such men together—

—Because you will get some entirely new slants on Alpha Chi Rho; you will meet Brothers from our new Western Chapters, Michigan and Wisconsin; you will learn about our five new Chapter Houses; and can help to shape our future policies concerning expansion and other vital matters—

—Because you can get reduced railroad rates. Buy a one-way ticket to New York and *get a receipt* from your local ticket agent. Tickets back home may be purchased for one-half the usual rate provided 250 pay fares amounting to at least 67 cents—

—And because everything will be available at most moderate cost—at the Plaza, too! (The Committee has had some job to put this across for you.)

The enclosed card awaits your signature.

Send it now!

Faternally yours,

The 1923 Convention Committee.

J. H. KING, Chairman.
